"We must not, in trying to think about how we can make a big difference, ignore the small daily differences we can make which, over time, add up to big differences that we often cannot foresee."

Marian Wright Edelman

Dare to Make A Difference -- Close to Home

We see amazing people who make a difference all around us. Take the company *Ethos* for example. They built a million dollar bottled water company with the single mission to provide clean water to children in third world countries. Inspirational to say the least.

But keep in mind that you **can make a difference** by doing something closer to home. **Start with the ones you love the most.** Sometimes they're the ones we treat the worst. Break the pattern. Twist it around. Tell your parents "thanks", no matter how old you are. Show your spouse respect. **Give your child a break** from the daily grind and make sure they know...**who they are matters in this world.**

Ordinarily Amazing challenges you to **start small and watch the chain reaction.** You can make a difference in someone's life today.

We dare you.
