*We grew up together in the same small town but had lost touch over the past 15 years. I had heard he was going through a divorce, but didn't know the details just imagined it was a tough time. I sent him a kind note of support but never knew if he got it. Fifteen years later, I ran into him. He made a point to tell me how much that note meant to him. It had helped him through the tough times.*

Simply OA emails are sent to remind us to recognize and honor the [Ordinarily Amazing](#) moments in our lives through inspirational quotes, stories and profiles.
