## Recognizing the Extraordinary in the Ordinary

It is in the every day miracles. Ordinarily Amazing reminds us to celebrate the ordinary moments... the joys, disappointments, achievements, and even the struggles. Every one of our seemingly ordinary contributions in life can and do make a difference in this world. So take time to recognize the power of your interactions with kids, store clerks, spouses and even strangers. It's important to realize the potential influence you can have on all those you interact with daily. Your sphere of influence is larger than you may realize!

Look deeply and ask yourself: Are you aware of the extraordinary in your ordinary life? Are you living an Ordinarily Amazing life? Who can you have a positive impact on today?
